Enrollment Policies A.R.S. § 15-184 (A, B, E)

South Phoenix does not limit admission based on ethnicity, national origin, gender, income level, disabling condition, proficiency in English language, or athletic ability.

South Phoenix has a fair and equitable policy to enroll all eligible students, who submit a timely application, unless the number of applicants exceeds the capacity of the school facility. South Phoenix gives enrollment preference only to those students who are returning to the school for the second or any subsequent year of operation and to siblings of pupils who are already enrolled in South Phoenix. Should the number of eligible enrollment applications exceed the capacity of a grade level, South Phoenix will utilize a lottery system. The lottery will also determine waiting list order for any unselected applications. Applications received after the open enrollment window closes will be processed on a first-come, first-served basis.

South Phoenix may refuse to admit any pupil who has been expelled from another educational institution or who is withdrawn while in the process of being expelled from another educational institution.

INSTRUCTIONS FOR THE ED 506 FORM FOR APPLICANTS:

PURPOSE: To comply with the requirements in 20 USC 7427(a), which provides that: “The Secretary shall require that, as part of an application for a grant under this subpart, each applicant shall maintain a file, with respect to each Indian child for whom the local educational agency provides a free public education, that contains a form that sets forth information establishing the status of the child as an Indian child eligible for assistance under this subpart, and that otherwise meets the requirements of subsection (b)”. **MAINTENANCE:** A separate ED 506 form is required for each Indian child that was enrolled during the count period. A new ED 506 form does NOT have to be completed each year. All documentation must be maintained in a manner that allows the LEA to be able to discern, for any given year, which students were enrolled in the LEA’s school(s) and counted during the count period indicated in the application. **FOR PARENTS/GUARDIANS: DEFINITION:** Indian means an individual who is (1) A member of an Indian tribe or band, as membership is defined by the Indian tribe or band, including any tribe or band terminated since 1940, and any tribe or band recognized by the State in which the tribe or band resides; (2) A descendant of a parent or grandparent who meets the requirements described in paragraph (1) of this definition; (3) Considered by the Secretary of the Interior to be an Indian for any purpose; (4) An Eskimo, Aleut, or other Alaska Native; or (5) A member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect on October 19, 1994. **STUDENT INFORMATION:** Write the name of the child, date of birth and school name and grade level. **TRIBAL ENROLLMENT INFORMATION:** Write the name of the individual with the tribal membership. Only one name is needed for this section, even though multiple persons may have tribal membership. Select only one name: either the child, child’s parent or grandparent, for whom you can provide membership information. Write the name of the tribe or band of Indians to which the child claims membership. The name does not need to be the official name as it appears exactly on the Department of Interior’s list of federally-recognized tribes, but the name must be recognizable and be of sufficient detail to permit verification of the eligibility of the tribe. Check only one box indicated whether it is a Federally Recognized, State Recognized, Terminated Tribe or Organized Indian Group. If Terminated Tribe or Organized Indian Group is elected, additional documentation is required and must be attached to this form. • Federally Recognized- an American Indian or Alaska Native tribal entity limited to those indigenous to the U.S. The Department of Interior maintains a list of federally-recognized tribes, which OIE can provide you upon request. • State Recognized- an American Indian or Alaska Native tribal entity that has recognized status by a State. The U.S. Department of Education does not maintain a master list. It is recommended that you use official state websites only. • Terminated Tribe- a tribal entity that once had a federally recognized status from the United States Department of Interior and had that designation terminated. • Organized Indian Group- Member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect October 19, 1994. Write the enrollment number establishing the membership of the child, if readily available, or other evidence of membership. If the child is not a member of the tribe and the child’s eligibility is through a parent or grandparent, either write the enrollment number of the parent or grandparent, or provide other proof of membership. Some examples of other proof of membership may include: affidavit from tribe, CDIB card or birth certificate. Write the name and address of the organization that maintains updated and accurate membership data for such tribe or band of Indians. **ATTESTATION STATEMENT:** Provide the name, address and email of the parent or guardian of the child. The signature of the parent or guardian of the child verifies the accuracy of the information supplied. The Department of Education will safeguard personal privacy in its collection, maintenance, use and dissemination of information about individuals and make such information available to the individual in accordance with the requirements of the Privacy Act. **PAPERWORK BURDEN STATEMENT** According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1810-0021. The time required to complete this portion of the information collection per type of respondent is estimated to average: 15 minutes per Indian student certification (ED 506) form; including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Education, Washington, D.C. 20202-4651. If you have comments or concerns regarding the status of your individual submission of this form, write directly to: Office of Indian Education, U.S. Department of Education, 400 Maryland Avenue, S.W., LBJ/Room 3W203, Washington, D.C. 20202-6335. TECHNOLOGY & INTERNET USAGE AGREEMENT

Dear parents or guardians,

As you are aware, the use of computer technology in today's classroom is part of the educational process. During the regular school experience your student will have access to computers and the internet. Internet filtering and monitoring are in place to comply with applicable laws and to provide students a safe technological environment. Students are neither to use nor to attempt to use "proxy" websites to get around the school's content filter. Below are the rules for use at the school. It is required that you and your student read the rules and sign, indicating your approval and understanding of the rules.

Rules and Guidelines for Computer and Internet Usage:

- All students must have this signed agreement in their file to use school computers and access the Internet.
- Respect for the equipment and the school's network is a condition for use. Vandalism, theft, graffiti, or other detrimental actions will not be tolerated.
- Uploading or downloading files or programs onto school workstations without prior consent from the Network Administrator or a school administrator are prohibited.
- Usage of computers and the Internet is for official school work only.
- Hacking is a very serious violation of the usage agreement and the consequence is zero tolerance, carrying a referral to the Board of Trustees for expulsion.
- Students are to notify the teacher immediately of any material they find disturbing on the Internet.
- Students are not to give out personal information like name, address, phone numbers, or e-mail addresses to anyone on the Internet.
- All discs or other removable media brought to the classroom for use in the computers must be scanned for content and viruses by the teacher.
- In addition to these rules, teachers may have additional related classroom policies to facilitate learning in their classes.
- Simply stated, the computers and the Internet are provided to students to achieve learning in today's technological environment. They are to be used for official school work, not personal use.

Violation of any of these rules may result in forfeiture of use and may include appropriate disciplinary action as presented in the school policies and procedures.

FERPA NOTIFICATION

Annual Notification to Parents Regarding Confidentiality of Student Education Records

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school within 45 days of a request made to the school administrator. Schools are not required to provide copies of records unless it is impossible for parents or eligible students to review the records without copies. Schools may charge a fee for copies.

- Parents or eligible students have the right to request in writing that a school correct records that they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

School officials with legitimate educational interest

□ A school official is a person employed or contracted by the school to serve as an administrator, supervisor, teacher, or support staff member (including health staff, law enforcement personnel, attorney, auditor, or other similar roles); a person serving on the school board; or a parent or student serving on an official committee or assisting another school official in performing his or her tasks;

□ A legitimate educational interest means the review of records is necessary to fulfill a professional responsibility for the school;

- o Other schools to which a student is seeking to enroll;
- o Specified officials for audit or evaluation purposes;
- o Appropriate parties in connection with financial aid to a student;
- o Organizations conducting certain studies for or on behalf of the school;
- o Accrediting organizations;
- o To comply with a judicial order or lawfully issued subpoena;
- o Appropriate officials in cases of health and safety emergencies; and
- o State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, sports participation (including height and weight of athletes) and dates of attendance unless notified by the parents or eligible student that the school is not to disclose the information without consent.

The Individuals with Disabilities Education Act (IDEA) is a federal law that protects the rights of students with disabilities. In addition to standard school records, for children with disabilities education records could include evaluation and testing materials, medical and health information, Individualized Education Programs and related notices and consents, progress reports, materials related to disciplinary actions, and mediation agreements. Such information is gathered from a number of sources, including the student's parents and staff of the school of attendance. Also, with parental permission, information may be gathered from additional pertinent sources, such as doctors and the health care providers. This information is collected to assure the child is identified, evaluated, and provided a Free Appropriate Public Education in accordance with state and federal special education laws. Each agency participating under Part B of IDEA must assure that at all stages of gathering, storing, retaining and disclosing education records to third parties that it complies with the federal confidentiality laws. In addition, the destruction of any education records of a child with a disability must be in accordance with IDEA regulatory requirements.

Skyline Education, Inc. School Bus Guidelines and Rules

The conduct of students aboard a school bus must be controlled in order to provide safe and efficient transportation. The students aboard a bus are under the authority of the bus driver and directly responsible to the driver. The attached articles are provided for driver guidance in maintaining student discipline. In the enforcement of student discipline, the drivers should work closely with school administrators. In the event of unresolved problems aboard the bus, after consulting with the school administrator, drivers should bring the matter to the attention of the Director of Transportation.

1. **DRIVER'S AUTHORITY:** Students in a school bus are the complete responsibility of the bus driver and under his/her direction; students must always be courteous and show respect for the driver and obey the driver's instructions.
2. **BUS STOP ASSIGNMENT:** Students may not get on or off the bus at any location other than their regularly scheduled stop. Parents must submit in writing a bus change 24 hours in advance. When an emergency occurs, a parent may arrange for an alternative authorized bus stop *on a limited basis.*
3. **BUS DEPARTURE TIMES:** Students should be at their bus stop at least 10 minutes prior to the scheduled pick up time; buses must operate on a definite schedule and drivers will not wait for late arrivals. Students are not to arrive at the stop more than 10 minutes prior to the departure time. *Excessive late arrivals to the bus stop will result in disciplinary action.*
4. **BOARDING THE BUS:** As the bus approaches, students must form an orderly single-file line and stand no closer than 10 feet. Students shall not move towards the bus until it has come to a complete stop. Students must enter the bus one at a time, with no pushing or shoving in line.
5. **SEAT ASSIGNMENT:** Students are to take the seat indicated by the driver; they may not exchange seats without the driver's permission.
6. **STUDENTS MUST REMAIN SEATED:** Students must sit upright, face the front of the bus, keep feet out of the aisle, and in no way obstruct aisles or bar progress of other students moving in or out of the bus. Standing, walking, or any movement out of seats while the bus is in motion is prohibited.
7. **BUS WINDOWS:** Windows may not be lowered without the driver's permission and at no time may they be lowered below the second notch (the window should never be open more than 6 inches).
8. ***HANDS/BODY OUT OF WINDOWS:** Students may not extend hands, arms, head or any other part of the body out of the window at any time on the school bus. Unauthorized exiting from emergency doors and windows is prohibited.
9. ***TAMPERING WITH BUS EQUIPMENT:** Tampering *of any kind* with bus doors, emergency exits, radio, or controls is prohibited.
10. ***SMOKING NOT ALLOWED:** Smoking, use of any tobacco product, lighters, or lighting of any material is prohibited and is against the law.
11. **EXCESSIVE NOISE/DISORDERLY CONDUCT:** Students are prohibited from creating disturbances such as whistling, playing musical instruments, yelling or talking loudly, throwing articles, shooting rubber bands, scuffling, etc. Students shall quietly converse only with those students sitting in the same seat they occupy. Distractions and noise levels inside the bus must be kept to a minimum so the driver can hear and observe approaching emergency vehicles, horns, or other impending hazards.
12. ***PROFANE LANGUAGE/GESTURES:** Using profane language or obscene gestures is prohibited.
13. **LITTERING:** Littering or throwing of objects of any kind is prohibited.
14. ***FIGHTING:** Students may not interfere with others, nor destroy the property of others; they may not intimidate or threaten anyone on the bus. Students must keep their hands to themselves; fighting, slapping, hitting, poking, shoving, pulling hair, etc., in the bus or at the stop, is prohibited.
15. **EATING/DRINKING:** Drinking, items other than water, or eating, including gum and candy, is prohibited at any time

16. **PROHIBITED OBJECTS:** Items such as glass containers and large or dangerous objects are not allowed on the bus. Transporting live animals, fish, reptiles, or insects on the bus is prohibited.
17. ***DAMAGE TO THE SCHOOL BUS OR BUS STOP:** Students may not vandalize or damage the school bus or bus stop. Parent(s)/Guardian(s) will be required to pay for damage done by their child to either the school bus or to private property at the bus stop location.

WHEN ENFORCEMENT OF DISCIPLINE IS REQUIRED THE FOLLOWING DISCIPLINE FLOW CHART IS USED:

The school bus driver will issue:

- At least 2 verbal warnings, then
- One written warning, then
- If the student’s behavior does not improve, the driver will make a recommendation of denial of bus privileges to the school administrator
 - on occasion, a school administrator may request the driver to request a parent conference or a bus driver may request to attend. In either case, arrangements to attend and participate should be coordinated through the Director of Transportation. School administrators will be responsible for informing the Director of times and dates.

The situations listed below, and asterisked under the Bus Guidelines and Rules, are serious offenses and are regarded as Disorderly Conduct. The Discipline Flow Chart will not be followed; an immediate recommendation to deny transportation will be given:

- Unauthorized jumping out or entering the bus through windows and emergency exits
- Tampering with bus equipment e.g. emergency door, brakes, switches or other devices used in the operation of a school bus
- Smoking in the school bus
- Lighting lighters, matches or other materials; exploding firecrackers or burning papers on the bus

Charter Schools are not reimbursed for transportation, therefore Skyline Education, Inc. transportation is a courtesy to our students. We must follow pre-determined routes. The \$25.00 fee is a reservation fee, non-refundable, (first come first serve) so we do not overpopulate the bus. Due to this you may not get a seat on the bus to school and it is not the school’s responsibility to transport your student to and from school. Charter Schools are schools of choice and the ADE does not reimburse the school for transporting any student.

I HAVE READ, UNDERSTAND, AND AGREE TO ABIDE BY THE BUS GUIDELINES AND RULES AS RIDING THE BUS IS A PRIVILEGE
